authorizes Supply of clothing to 38 menials of the Lunatic & Leper asylums. It will appear from the ~~correspondence~~ paper under disposal that the no: 38 includes only 5 menials of the Leper asylum & Supply of clothing to 3 addl menials viz non-brahmin Cook, Dhobi & Female Joti employed on the permanent estabt of the Leper asylum but paid from Contingency is recommended. The Supdt of the Leper asylum states that the Sum of Rs 5 Sanctd for clothing to each menial is hardly sufficient and suggests an increase of the Amount but the Senior Surgeon does not recommend any increase of the Sanctd cost viz Rs 5 for each menial.

It is upon these, perhaps, that SC 25 of Appendix A to the Govt Order of the 16th may 1908 has been based. If the above surmise is correct, then the clothing to the servants of the Leper Hospital has been already provided for, and it will a matter for Govt to sanction or not the clothing to the temporary warders of the Lunatic Asylum.

With reference to your office No.2949 dated the 28th December 1910, I have the honor to state that there are 5 servants on the pensionable establishment, and three on the non-pensionable, and all these 8 work in one and the same Institution, and deserve the uniform with equal distribution, to keep themselves clean and tidy, while at work in the Hospital. The cost of uniform provided in the previous budgets amounting to Rs5/- to each menial servant is hardly sufficient I therefore request that a decent sum may be kindly allowed, to provide the menial servants with necessary clothing suitable to the nature of the work.

Sir,

K With reference to Government Order No. G. 6787-819 G.M. 36-07-39 dated the 16th May 1908, issuing revised rules regarding the supply of clothing to menials, I have the honor to state that in the statement appended to the order provision is made for the supply of clothing to 38 servants of the Lunatic & Leper Asylums, at a cost of Rs. 5/- per head. I gather however, from the Senior Surgeon's letter No. 586 dated the 5th/7th Instant, that the strength of the menial Establishment attached to the Lunatic Asylum is by itself 38 and that the whole of this staff is getting their clothing annually, so that the Leper Asylum is , in effect, not covered by the Govt. order. It seems to me to be none the less the intention of Government that the general considerations upon which the supply of liveries was sanctioned should apply equally to the Leper Asylum as to the Lunatic Asylum. I would therefore request that the number of menials shown against the Institutions be enhanced by 8 men, which represents the staff of the Leper Asylum. The Superintendent reports that 5 of these men are on the pensionable establishment and 3 on the non-
